ABOUT ME

Hello, my name is Hristijan and I'm a web developer (for 7+ years) and graphic designer and I have shared successes with companies of all sizes. Throughout the years I've worked both freelance and a couple "real jobs" building websites and design from a desk. I'm good with HTML, CSS, JS, WordPress and design in Adobe Illustrator, Photoshop, InDesign, Figma etc... I have few years of experience working with many clients from all over the world. I also educate my clients about what they're looking for and what
